

# PRESIDIO COMPONENTS NEW GLOBAL PART NUMBERS

## GLOBAL PART NUMBERS:

Thank you for considering Presidio Components. This brochure includes Presidio's new Global (shortened) part numbers. The Global part numbers are used by customers whose computer systems cannot handle our Manufacturing (longer) part numbers.

If you ordered parts from us in the past with a Manufacturing number, that number is still valid. However, if you would like to convert to our new Global part numbers, simply go to our website. A tool has been added to the site to assist in the conversion between Manufacturing and Global part numbers.

## A WORD TO THE DESIGN ENGINEER:

After the design work is done, outsourcing manufacturing on a global basis is a management option. At Presidio Components, we are striving for complete customer satisfaction which includes "after" service.

We created our new Global part numbers with a "Design In" locator code for quick traceability, if needed. Please select your location from the table below and add the appropriate code at the end of the part number. If you need assistance give us a call at (858) 578-9390 or email us at [info@presidiocomponents.com](mailto:info@presidiocomponents.com).
